Hi Lisa, great to hear from you. I'm currently on loan to the Mayor's Office working with the LA River Works team on the River specific projects. You will want to contact Nat Gale directly for any questions relative to the bike program.

Dear Michelle:

Hello stranger! Its been quite a while since we have spoken. I am know the Executive Director of the Hollywood Media District BID since leaving the Councilmember LaBonge. Anyways, one of my stakeholder's, (Television Center – Gold Gym) has requested additional bike racks at their location (1016 Cole Avenue, Hollywood, CA 90038). Just to let you know there are already two (2) existing u-shaped bike racks, however we need two (2) more at the location. Parking is always a premium and there are many people that actually ride bikes within the HMD BID. I have completed the on-line request for bike racks however I thought I would follow up directly with you.

Hope all is well and let me know if there is a way to expedite my request.

Thank you
